

UC IRVINE

COMMUNITY RESILIENCE PROJECTS

HEALTH EQUITY CONTACT TRACING WORKSHOP

Jul 20 - Aug 31, 2020

A 20-part series for Orange County residents on community-driven and health equity-focused COVID-19 response. With UCI Public Health, OCHCA, and OC Health Equity COVID-19 Community-Academic Partnership. Offered via popular education in English and Spanish. Open to all.

TRAINERS' TRAINING: STUDENT LEADERSHIP INSTITUTE FOR CLIMATE RESILIENCE

Aug 10 - Sep 1, 2020

A 5-part trainers' training to prepare campuses to offer UCI's entry-level student leadership institute for climate resilience virtually. With UCI Sustainability Resource Center. Open to UC and CSU faculty, staff, and student mentors by invitation.

WORKER CO-OP ACADEMY Winter 2021

A 12-week introduction to forming worker-owned cooperatives. With Cooperacion Santa Ana. Offered via popular education in Spanish. Open to low-income residents in Santa Ana, CA.

TRANSFORMATIVE PRINCIPLES Winter 2021

A pilot introduction to transformative principles that ground Santa Ana Building Healthy Communities' (SABHC) transition. With SABHC. Offered via popular education in Spanish. Open by invitation to Santa Ana residents and SABHC partners.

VISITING COMMUNITY SCHOLAR Winter - Summer 2021

A 3-quarter engagement with visiting community scholar Rosa Gonzalez from Facilitating Power on shifting from community engagement to community ownership in academic-community partnerships, with special focus on health equity curriculum, shared community financing, and just transition lawyering.

JUST TRANSITION MOVEMENT LAWYERING INSTITUTE

Summer 2021

An 8-week national pilot institute to train practicing lawyers in frameworks, skills, and practices of lawyering for a just transition from the extractive economy to regenerative economies. With Gulf Coast Center for Law & Policy, Law and Political Economy Project, NAACP Environment & Climate Justice Program+. By application.

COVID, CLIMATE CHANGE, & COMMUNITY RESILIENCE

Spring 2021

10-session topical course on leadership for community resilience in the era of COVID and climate change. With UCI Sustainability Resource Center. Open to undergraduate students UC-wide.

COLIBERATE Fall 2021

A 4-part training workshop series for place-based teams of resident leaders, university researchers, and students on participatory action research for community-driven climate resilience planning and action. With UC Global Climate Leadership Council. Open to UC- and CSU-based teams by application.

LEVEL 3: STUDENT LEADERSHIP INSTITUTE FOR CLIMATE RESILIENCE

Fall 2021

A 3-day advanced training in community organizing practices for just transition, just recovery, and community resilience. With UCI Sustainability Resource Center. Open to UCI students by application.

CE2O ALLIES TRAINING Fall 2021

Pilot training aimed at preparing university & municipal actors to shift from models of community engagement to models of community ownership in local work. With Cooperacion Santa Ana, CRECE Urban Farming Co-op, SABHC, & THRIVE Santa Ana. By application.
